## 2. Assessment Plan

In our efforts to nurture lifelong learners, we focus on helping our students discover more joy and develop stronger intrinsic motivation in learning. There are adjustments made to reduce school-based assessment load and perceived examination stakes. The P3 students will not be taking Mid-Year Examination. This is to allow more time and space for greater engagement and deepening of learning.

There will be End-of-Year Examination in Term 4 and three weighted assessments (WA) for the various subjects in Term 1, 2 and 3. More details on the WA for Term 2 and 3 and End-of-Year Examinations in Term 4 will be given at a later date

#### **4. Co-Curricular Activities (CCA)**

P3 students are strongly encouraged to have a CCA. It provides essential balance for a well-rounded education. If your child/ward has selected a CCA, please ensure that he/she is present for all practice sessions. Do submit a photocopy of the Medical Certificate (MC) or a letter if your child/ward is absent from CCA. If your child/ward has not selected a CCA, please contact Mr Shahrudin (SH PE) via email at [shahrudin\\_salleh@moe.edu.sg](mailto:shahrudin_salleh@moe.edu.sg)

#### **5. P3 Learning Journey to the Geylang Serai Heritage Gallery**

This year, our P3 students will be going on a learning journey to the Geylang Serai Heritage Gallery to better understand the contributions made by the Malay and Muslim communities in the development of Singapore. During the tour, they will be taking part in a precinct walk as well as a tour of the gallery. The activities and demonstrations in the tour will engage the students in applying their field work skills, such as asking questions and gathering data through observations and stories.

#### **6. School-Home Partnership**

##### **a) Dissemination of Announcements and Consent Forms via Parents Gateway (PG)**

Developed by the Ministry of Education and GovTech, PG is a one-stop portal that strengthens school-home partnership to support our children in their education journey. All school announcements and consent forms are disseminated via the PG. We strongly encourage all parents/guardians to read and respond to the notifications in PG.

### **b) Communication with Teachers**

We encourage parents/guardians to communicate with your child's/ward's teachers via email, school's email ([naps@moe.edu.sg](mailto:naps@moe.edu.sg)) or through the school General Office (Mondays to Fridays, 8.00 a.m. to 5.00 p.m.) at 6441 8677. Alternatively, parents/guardians may also communicate with the teachers via the Student Handbook. The handbook is a means of checking your child's/ward's daily assignments and instructions given by teachers.

Our teachers are not obliged to share their personal mobile numbers for communication with parents. Please use the school's main mode of communication stated above. We seek your understanding to respect our teacher's time by contacting them only during school hours (7.30 a.m. to 5.00 p.m.) and that they may not be able to respond to you immediately as they might be in class. Please also allow the teachers at least 3 working days to respond to your feedback via email or phone.

### **c) Establishing a Positive School-Home Partnership**

Please visit our school website and official Ngee Ann Primary Facebook for updates on school life in Ngee Ann. We will be uploading photos of school activities/events and share our children's precious moments with you.

Mutual respect and trust form the strong foundation for positive engagement between schools and parents. In adherence to PDPA guidelines, Whatsapp chat groups will not be created by the school. In the use of social media platforms such as Whatsapp, Facebook or Instagram, please be mindful of comments made that might incite unnecessary anxiety and/or unfounded speculations towards others.

If an incident occurs, allow the teacher/school time to verify the facts before engaging you, so that the incident involving your child can be resolved in a fair and objective manner. When disagreements occur, stay open and find out more from the school. Allow the teacher the opportunity to establish the facts and work with you to resolve disagreements amicably.

Our children succeed when schools and parents work hand in hand to support them in learning self-management skills, taking responsibility and building resilience. We look forward to building a strong and positive School-Home Partnership with you.

Thank you.

Yours faithfully,

---

Mr Chu Boon Hong Caleb  
Assistant Year Head (Middle Primary)
